Subject: Daily reporting on training of personnel deployed for prevention and control of Covid-19.

Dear,

In light of Covid-19 pandemic, it is imperative that the frontline workers, staff of quarantine centres, drivers of the vehicles for transportation of suspect corona cases, etc., are well trained and equipped with procedures to prevent the spread of infection.

Therefore it is expected that information on personnel/volunteers trained on daily basis is made available through E-mail (seoc.dmmc@gmail.com) to SEOC in the prescribed format as given bellow.

Date	District	Department / Location	Personnel trained (in Nos.)	Training imparted (in Nos.)		Remarks
				Through Zoom Application	Physical	

Yours sincerely
