Ref.: Your letter dated 6th May, 2019 regarding pre-monsoon deployment of NDRF.

Dear Sir,

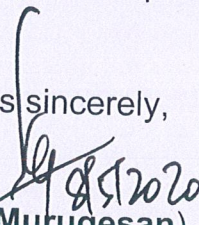

With regard to the above subject this is to bring it to your notice that during the previous years NDRF units have been deployed at the following places in the state of Uttarakhand during the monsoon period besides that at Jhajara in Dehradun:

- (i) Bhaiswara Farm in Almora
- (ii) Didihat in Pithoragarh
- (iii) Gauchar in Chamoli district
- (iv) Manera in Uttarkashi district

2. It may be noted that these places were selected on the basis of logistics availability and ease of movement in case of any emergency or disaster situation in the state.

3. It is therefore suggested that these places only be considered for the deployment of NDRF teams for the forthcoming monsoon period. As during the previous years the state government would be extending the required logistics support to these units.

Yours sincerely,

(S.A. Murugesan)
