DO.No.142/USDMA/672(2019)TC
Dehradun: Dated: 09-05-2020

The Government of India has allowed operation of special trains to help the persons stranded on account of the current lockdown to reach their destinations.

As per the data available with the state government till the morning of 07.05.2020, **more than 10150** persons of Uttarakhand are stranded in different districts of Karnataka. Among these, **more than 3500** persons are stranded in and around **Bengaluru**.

You would realise that it would be difficult for the State Government to arrange road transport for all such stranded persons and therefore it is requested that **special trains** be operated between **Bengaluru and Haridwar, and Bengaluru and Katgodham** to help these persons reach their destinations without difficulty. In future we will require trains from other cities of Karnataka.

It is hereby requested that the Government of Karnataka may coordinate with relevant Railway authorities to help make all necessary arrangements for early movement of special trains.

It is submitted hereby that state of Uttarakhand will bear the ticket costs of these passengers.

I will be grateful for your cooperation in the matter.
